Dear Mr. Ziomko,

The Minnesota DFL Senior Caucus is pleased to endorse your candidacy for the Minnesota House of Representatives for SD 9A. We thank you for your support of seniors and the issues that are important to us. We will communicate our action to seniors in Minnesota and especially to seniors in your district.

We encourage you to publicize this action of the DFL Senior Caucus and to include the display of the logo above on your website and in materials. When you publish our endorsement, you should use this language: "Endorsed by the Minnesota DFL Senior Caucus." Our endorsement means to seniors that you show an understanding of the issues seniors face and are ready to respond to our needs as well as the needs of others. Our endorsement makes clear our gratitude for your willingness to serve and our respect for your commitment to the citizens of Minnesota.

The Minnesota DFL Senior Caucus overall represents a large and fast-growing voting bloc in Minnesota, and the percentage of seniors that vote is by far the largest of any age group. The Senior Caucus represents these seniors through chapters across the state in both rural and urban locales; those chapters have several hundred senior members including many in your district. We believe our members can assist your campaign in additional ways, and our seniors are ready to act in support of your candidacy. Please consider how we might help your campaign and contact us to discuss the various options that might be the most helpful to you. The Political Affairs Committee of the DFL Senior Caucus recommended you for endorsement and the Statewide Senior Caucus Board agrees wholeheartedly!

The DFL Senior Caucus thanks you for your service to the State of Minnesota.
